

# HYBRID MSB

## MAIN SWITCHBOARD

askwise.com.au  
 1300 368 331  
 sales@askwise.com.au

### Hybrid Functionality

Integrates multiple power sources for optimal energy management

### Off-Peak Charging

Utilises off-peak electricity to charge batteries, reducing energy consumption costs

### Solar Integration

Enhances power savings and autonomy by harnessing renewable solar energy

### Blackout Protection

Ensures continuous power supply during outages by utilising stored energy from batteries & solar panels

### Backup Generator Support

Can be connected to a backup generator for additional power backup when needed

## SPECIFICATIONS

	Hybrid MSB 100A	Hybrid MSB 200A
Model	HMSB100	HMSB200
Inverter Capacity	45kVA or 90kVA	90kVA
Combined Output Amps	165A or 230A	330A
Battery Chemistry	LFP	LFP
Compatible with External or Existing PV	Yes	Yes
Warranty	12 Months	12 Months
Expected Service Life	10 Years	10 Years
Active/Heating Cooling	Yes	Yes
Compatible with Smart Energy Hub	Yes	Yes
