

# SafeGen

## KEY FEATURES

- > Canopy design integrated single solar panel, to keep battery charged
- > Dynamic measurement of connected loads for optimized power delivery
- > Intelligent voltage output control
- > Remote fuel monitoring with automated refueling capabilities

## SPECIFICATIONS

Model	SafeGen 200kVA
Prime Power	200
Standby Power	220
Engine	Iveco/FPT
Alternator	Mec Alte
Canopy/Plinth	Galvanised & Powder Coated/ Hot Dip Galvanised
Fuel Tank	1000L
Fuel Level Monitoring	Electronic & Mechanical
Main Breaker	ABB
Controller	ComAP IL4-AMF20
Remote Start from ATS	Yes
Trickle Charger for Starter Battery	Yes
Warranty	12 Months
Weight	2420kg
